Date of Meeting:	23/10/2025
Meeting Number:	01
Brief Summary of Discussion (200 words max): On our first meeting, our group discussed the topics for the project and decided on the topic of Digital Sexual Health. We looked at several aspects of the topic, including how technology can be used to promote awareness, provide information, and encourage safe digital practices. The discussion then moved on to dividing roles and responsibilities among group members. Some members suggested possible features, such as educational tools or Q&A sections to enhance user engagement. We also discussed the importance of a thematic analysis.	
Agreed Actions: - Finalised topic: Digital Sexual Health - Divided thematic analysis tasks among group members
